

A watercolor illustration of a starry night sky. The background is a mix of deep blues, purples, and pinks, suggesting a nebula or galaxy. In the center, the letters 'HU' are written in a teal, serif font. Below the letters, there are several bright yellow stars of varying sizes, some of which are arranged in a pattern that resembles the constellation Ursa Major. The overall style is soft and ethereal, with visible brushstrokes and a dreamy atmosphere.

HU

*L. Payette*
