

Soul Dreaming

Lyrics by Tim Lamar

Ever wish upon a star
Wonder who you are
You are Soul...dreaming

Ever run beneath the trees
And watch the bumble bees
They are Soul...buzzing

Then you meet a friend
Who invites you in
To a Temple Golden

And you see
Wah Z
And in the blink of an eye
He's showing

Life is love, you are love
And from the heart of God
Is flowing

The river of HU
The river of HU
The river of HU

Ever walk inside a cloud
Whistle with the wind
You are Soul...soaring

Ever sail upon the sea
Or hear a songbird's melody
It is Soul... singing

Then you meet a friend
Who invites you in
To a Temple Golden

And you see
Wah Z
And in the blink of an eye
He's showing

Life is love, you are love
And from the heart of God
Is flowing

The river of HU
The river of HU
The river of HU

Ever wish upon a star...
