5	5
6	6
7	7
8	8

INSTRUCTIONS:

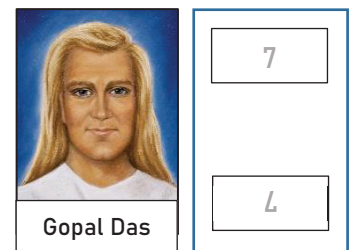

Cut out the numbers on this page.

Using the Answer Key below, glue two numbers on the back of each ECK Master's portrait.

Glue one number right-side-up, and the other upside-down (as shown in the example below), so youth can easily find the number no matter which way they flip over the portrait.

Hang the pictures up around the room.
